Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

X-RAY SHOWS BRECKONS IS SERIOUSLY INJURED

U. S. District Attorney Breckons' injury to his right arm on the night of November 3 at Waiholo, where he fell in descending some stairs, has proved quite serious and he is confined to his home. Breckons was coming with Prince Kuhio from a meeting in a mill and stumbled on a dark spot of the stairs, sustaining a bad injury to his right arm and shoulder when he fell.

An X-ray has been called into action and it was determined that the shoulder was dislocated. It was set, but he suffered great pain last night.

The music by the territorial band proved a welcome diversion at the departure of the Maunaloa Navigation Line's Wilhelmina for San Francisco this morning. The vessel sailed shortly after ten o'clock taking 75 cabin and 12 steerage passengers. Of the latter was a number of Portuguese and Spanish families who had decided to seek lucrative employment on the coast.

The Wilhelmina's cargo included small amounts of sugar, with a fair showing of preserved pineapples.

An accumulation of mail for the mainland was forwarded in the liner.
